REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: The claims are allowed for the reasons presented by the Examiner in the Office Action mailed June 10, 2005. Additionally, the two "X" references on the search report completed on June 29, 2004 for application number EP 04 10 0941 do not anticipate the instant invention as the two references lack the instantly claimed feature of a cylindrical extension part having the recited positioning and operational elements.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Fred Prince whose telephone number is (571) 272-1165. The examiner can normally be reached on Monday-Thursday, 6:30-4:00; alt. Fridays 6:30-3:00.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Duane Smith can be reached on (571) 272-1166. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
